**1** One powerful pool cleaner    **2** Two-year warranty    **3** Three-step installation

**The hottest name in pool cleaning**

Dirt Devil®, the most recognized name in home vacuuming brings you the Dirt Devil Pool Vacuum. Now, you can have the power to clean your inground pool efficiently and inexpensively. No other automatic pool cleaner has this kind of power. Tell your Dirt Devil® Automatic Pool Vacuum dealer or pool professional you want a Dirt Devil® in your pool.

**Powerful two-year warranty**

The Dirt Devil® Automatic Pool Vacuum is so reliable and well built, it comes with a two-year limited warranty. It's the name you can trust to keep on cleaning day after day, year after year.

**All the power you need to clean your pool**

This top-of-the-line Dirt Devil® pool cleaner has the power to clean your inground pool from top to bottom automatically. Its suction power picks up everything from dirt and bugs to pebbles and twigs, so you can spend time enjoying your pool instead of cleaning it.

**Installs in no time**

You don't need any tools with the Dirt Devil® Automatic Pool Vacuum. It can be installed with ease in minutes. Just attach the disc and hose and put it in your pool. It will do the cleaning so you can spend the day swimming.

**One smart pool cleaner**

Regardless of shape, size or construction of your inground pool, the Dirt Devil® Automatic Pool Vacuum can clean it. No electricity is needed. It gets its power from your pool's own pump and filtration system. The Dirt Devil® Automatic Pool Vacuum climbs and cleans the walls. It's easy to install, easy to service and lasts longer than other pool cleaners. And with our Unifram™ technology, there are no wheels to jam, no gears to break and simply no hassle.
