# Ultra-Seam®

## STRIKING LOOKS. SEAMLESS STRENGTH.

Only GLI offers Ultra-Seam®—the liner technology proven to deliver the strongest seams you'll never see. Already trusted in over **1,000,000** installations and counting, Ultra-Seam® sets the benchmark for both beauty and performance. By eliminating the “pinstriping” effect of standard floor seam liners, it creates a flawless, uninterrupted surface that lets the true design of your pool shine through. Stronger seams, seamless style—all exclusively from GLI.

# Midnight Spring

## SOMETHING EXTRAORDINARY

Looking to transform an ordinary swimming pool into something extraordinary? These elegant, modern, and sophisticated patterns, represent our new Midnight Spring Color Collection. The handcrafted appeal of the collection's rich variety of gray, will cast a natural springlike teal when in direct sunlight. Like a natural spring, the depth of the swimming pool and darkness of the gray base will vary the color cast, ranging from a rich-midnight teal to a light spring-teal. Ordinary no more, take a swim in these natural Midnight Spring patterns.

# Beachside

## MEET YOUR MIRAGE

You'll swear there's sand in your shoes when you spend the day lounging in a pool setting based in one of these bright, fun options. With their sandy, sun-kissed patterns and grainy shoreline undertones, these liner options inspire coastal imagery with their decidedly seaside scenery inspired by the beach itself.

# Whitesand

## SHIMMER IN THE SUN!

Crisp, bright, and pristine, this uniquely designed concept conjures tropic vistas of bleached beaches reminiscent of some of the hot spot destinations south of the equator or in the remotest sections of the Caribbean. Clear, clean lines staggered by textured and contrasted by specks of blues and grays over a bright background of white make this collection rich and fun.

# DISCO PEARL

A shimmering mosaic design with a sense of movement, printed on pale blue base film and enhanced with Shimmer inks. The light-reflective finish creates a sparkling, dynamic appearance that brings depth and elegance to the pool environment.

LINER SHOWN: DISCO PEARL

# HARMONY

A bold, borderless mosaic featuring shimmering agate tones, Harmony blends blue and gold accents to create fluid movement and visual depth. Printed on electric blue base film, this design brings refined elegance to any pool environment.

LINER SHOWN: HARMONY

# PEARLSTONE

Pearlstone pulls inspiration from swimming pool finishes designed by high-end Stonemasons and utilizes “Shimmer Stone” accents to emphasize the natural stonework pattern, adding a shimmer that is unsurpassed by other liners. The “Shimmer Stone” adds a posh look-to-feel design to your swimming pool.

References to light, medium and dark shades are general and do not guarantee the effect the vinyl liners will have on the color of a pool. All vinyl liner graphics are for illustration purposes only. It is recommended by the manufacturer to view an actual vinyl sample before ordering your liner. Color may vary from printed brochure. The manufacturer reserves the right to change liner selections without notice.

NOTICE: The manufacturer stands behind every product they produce pursuant to those representations which are stated in the written warranties. Your dealer/builder/contractor is an independent businessperson and not an agent or employee of the manufacturer. The manufacturer cannot and does not accept any responsibility for any representations, statements or contracts made by any dealer/builder/contractor.

The specifications in this brochure were believed to be true at the time of printing. However, specifications, standard equipment and options are subject to change without notice.

The manufacturer does not manufacture slides, diving boards, or any other diving equipment. Any use of such equipment must be in strict compliance with the equipment manufacturer's specifications, as well as local building codes and regulations.

In some pictures, the safety line rope and floats, and safety signage have been removed from the pool for photographic purposes. The safety line should be permanently attached at all times. We also urge you to use handrails and grab rails in accordance with the PHTA Standards.

POOL COVERS

# PROTECTION WITH PURPOSE

A pool cover is more than an accessory—it's an essential part of protecting what matters most. GLI's safety covers (sold separately) exceed ASTM standards, providing peace of mind by helping safeguard kids, pets, and wildlife. They also reduce maintenance, retain heat, and minimize chemical use, making pool ownership simpler, safer, and more sustainable, all year long.

## SECURE YOUR INVESTMENT ALL YEAR ROUND

### WINTER SOLID SAFETY COVERS

For full coverage and minimal cleanup, solid covers block sunlight and debris to keep pool water cleaner through the colder months. It's a simple way to start every swim season ahead of the curve.

### WINTER MESH SAFETY COVERS

Lightweight yet durable, mesh covers provide reliable seasonal protection with breathable performance that filters out debris. A smart, budget-friendly choice for off-season care.

### AUTOMATIC SAFETY COVERS

Our seamless and secure Coverstar automatic covers offer year-round protection at the push of a button. They help safeguard your pool, preserve heat, and keep the water cleaner. Focus more on enjoying your backyard escape, and less on maintaining it.

**KEEP YOUR FAMILY SAFE** - don't forget to pair your GLI Inground Liner with the best protection during the off-season with a GLI Safety Cover. A Safety Cover will provide you with the "Peace of Mind" that your family, pets, and wildlife are protected from accidental intrusion to the swimming pool, while also making the opening of your pool in the spring quick and easy!
