POOL FRAMES AND WALLS

Lomart's pool walls combine designer patterns with premium hot-dipped galvanized copper bearing steel offering:

- Exceptional durability
- Corrosion resistance
- Weatherization protection

- **Trimline Space Saver™ Oval Support System** features an easy-to-install, one-part design which provides a stronger installation and a more attractive appearance. Allows larger pools to fit into smaller backyard settings.

- **Texture-molded Top Connectors** are corrosion resistant and feature our textured pebble-grain design.

- **Tru-Lock™ Wall Closure** offers a newly-designed fastening system for maximum strength, greater wall stability, and a faster, easier assembly.

LOMART OFFERS A WIDE VARIETY

Whispering Wind III is available in a large assortment of round and oval pool models to meet your needs.

Rounds: 15', 18', 21', 24', 27', 30' | **Ovals:** 15' x 24', 15' x 30', 18' x 33', 18' x 36', 18' x 39'

PRODUCT WARRANTIES

Lomart Industries backs their products with warranties and consumer service policies that are the best in the above-ground pool industry. All of our pool and liner warranties are covered for the first 3 years at 100% against manufacturer defects (the remainder of each warranty is prorated). Bottom rails receive a Lifetime 100% warranty. Pool & Frame - Lifetime limited.

Change of Design: All sizes, weights, measurements, illustrations and other specifications are approximate. Lomart expressly reserves the right to change or modify the design and construction of any product in due course of our manufacturing procedures without incurring any obligation or liability to furnish or install such changes or modifications on products previously or subsequently sold. Lomart Industries is in no way affiliated with any professional pool installer. Therefore, Lomart can assume no responsibility for errors in installation by the homeowner or said professional pool installer. If you have the pool installed by others, please supervise to be sure they comply with proper installation techniques as shown.

Important: Misuse of your pool may result in crippling injury and/or other dangers to life and health. Do not dive or jump. Do not use slides, diving boards, or any other platform or object which can be used for improper pool entry. Use only an above-ground swimming pool ladder to enter or exit your pool. It is your responsibility to secure your pool against unauthorized, unsupervised or unintentional entry. Always obey all safety rules. Remember, pool safety is everybody's responsibility.
